May Mission of the Month: Caribbean Christian Centre for the Deaf

The Caribbean Christian Centre for the Deaf (CCCD) brings the gospel to the community of people in Jamaica who are deaf. CCCD teaches sign language to children and young adults who are deaf and provides them with education, job training, mentoring, and care. Its three communities scattered across the island give children from rural areas safe spaces to learn, live, and thrive. Faith Church has been a long-time supporter of CCCD and has sent several teams to serve there over the years. Visit their website for more information: <https://www.cccdjamaica.org/>. The stateside Executive Director, Ben Beukema, will join us on May 22 to share an update. We will receive the offering throughout the month online and during worship on May 29.

Total April Mission of the Month for Church Rebuilding in Brazil: \$6,171.65
