Volunteer Opportunity:

There is a great opportunity to build friendships with international students through Hope College's Host Family Program. This is a volunteer, non-residential hosting, friendship-based ministry where your family will be paired with an international student to help them feel connected to the community and welcomed in Holland. To be clear, you would not need to house the student, just to support them in various ways and be a friend. Due to a larger-than-average freshmen class this fall, there is a need for even more host families this year. Host families/parents of all ages are welcome! If you are interested in learning more, please contact Jasmine Lowell at lowell@hope.edu.

July Mission of the Month: LOVE ZEELAND

The July Mission of the Month is for Love Zeeland, the annual middle school mission trip at Faith Church. Love Zeeland took place July 14-17 and focused on being the hands and feet of Christ as our middle schoolers served our local community. Youth leaders served as role models and worked with students throughout the weekend to help them learn to serve as well as grow in their relationship with Christ. This time was filled with service projects, worship, Bible study, games, adventures and a few surprises.

We received the mission of the month offering for Love Zeeland on Sunday, July 17, but you can give throughout the month online (select MISSIONS under the fund menu.)

Current July Mission: \$5105.81
